Forecast for Friday 26 Aug 2022

Weather: Cloudy with spells of rain or drizzle overnight, during the morning and into early afternoon. This mostly light but be prepared for the odd heavy burst. The rain will fizzle out through the afternoon with brighter or clearer conditions arriving in the evening.

Chance of cloud-free hill tops above 700m: 5% overnight and during the morning, becoming 70% in the afternoon.

Low cloud and visibility: Extensive cloud and fog down to low slopes overnight and during the morning. Becoming good at most levels through the afternoon as cloud lifts and rain clears, clearing the summits by late afternoon.
